THIS MONTH OUR ONLINE BANKING WILL BE CHANGING.

***YOU'LL SEE SOME NEW FEATURES
AND WE'RE SURE YOU'LL LIKE THE BENEFITS!***

Upcoming Features and Changes to Beacon's Online Banking

NEW FEATURES CHECKLIST:

1: Open Accounts Online

You can now add an ID to an existing account or open a new account online.

2: Custom Account Alerts

Now you can have alerts sent to you when your balance changes or specific transactions occur, and more!

3: Reset Your Password

If you've forgotten your password, you will be able to retrieve your it via email.

4: Custom Screen Settings.

Every person is different and so are their accounts. You can now customize your screen defaults with your personal preferences.

5: Change Your Username.

Don't like your username anymore? You can now change it online.

6: Make Principal Loan Payments.

Now you can make principal only payments to any closed end loan, like a car or boat loan.

7: Improved Transaction Searches.

We've increased the options for searching transactions, which makes finding a specific transaction easier.

NEW CHANGES CHECKLIST:

1: New Look and Feel.

All of the screens have been updated and will look different from the current online banking screens. The menus have also changed.

2: Security Changes.

Since we've upgraded the site, you will need to answer some security questions again to re-establish your identity as a valid user.

3: Quicken™ Downloads.

You will need to deactivate and reactivate Beacon Federal as your institution within Quicken™.

4: Supported Browsers.

Internet Explorer works the best, but you can also use Mozilla, Google Chrome and Safari.

5: Bookmarks.

If you have set our online banking logon page as a favorite - the address will be changing. Please access the internet banking logon from the main page on our website.
